NOUN (संज्ञा)

Noun → Name → नाम

Noun is a Latin word. It means name in English.

❖ **Definition:-**

Noun is a naming word.

Noun is the name of anything.

e.g.- Ram, Shyam, Boy, Pen, etc.

❖ **Kinds of noun on the basis of its caste**

There are five kinds of noun on the basis of its caste:-

- | | |
|---|---|
| 1. Proper noun (खास नाम जैसे – Ram, Shyam, Tata, Patna, etc.) | P |
| 2. Common noun (सामान्य नाम जैसे – boy, girl, car, city, country etc.) | C |
| 3. Collective noun (समूह का नाम जैसे – army, crowd, family etc.) | C |
| 4. Material noun (द्रव्य का नाम जैसे – Gold, Silver, Water, etc.) | M |
| 5. Abstract noun (अनुभव या भावना का नाम जैसे – honesty, goodness, childhood, etc.) | A |

To remember these kinds of noun, there is a trick “PCCMA” (like a company name).

1. Proper noun

A proper is a particular name of something.

e.g.- Ram, Shyam, Patna, India, etc.

Some facts about proper noun:-
